EVILS OF SLAVERY.

We are thus informed that the following extract from a letter lately received in the city of Philadelphia, in relation to the condition of the Negro slave in that metropolis, is not an infrequent instance of the distresses to which they are subjected. It would be an injustice to the master, and an injury to the servant, to be ignorant of the full extent of the suffering that such a state of slavery involves.

The following is a short extract from a letter lately received in the city of Philadelphia, in relation to the condition of the Negro slave in that metropolis, and is not an infrequent instance of the distresses to which they are subjected. It would be an injustice to the master, and an injury to the servant, to be ignorant of the full extent of the suffering that such a state of slavery involves.

The JOURNAL OF THE TIMES is a historical newspaper from the United States, dated March 24, 1833. The content is in the form of articles, which include discussions on colonization, the American Revolution, and other historical events. The text is in a format typical of 19th-century newspapers, with paragraphs and a structured layout typical of the time. The language used is formal and reflective of the period's style of writing.
