A NEW CHALLENGE

THE china attainable by the Chinese, is a new challenge to the
right of the Chinese to govern themselves. It is not a new challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
asserted by the Chinese themselves. It is not a challenge
in the abstract, but a challenge that has been repeatedly
