THE LIBERATOR.

Wednesday, November 17, 1858

The editor in his last number of the "Liberator," has given an able and full statement of the case of Mr. Giddings in relation to the recent election. In his last number of the "Liberator," Mr. Giddings has given an able and full statement of the case of Mr. Giddings in relation to the recent election. He has shown that Mr. Giddings was not only qualified to hold the office of Governor, but that he was also a competent and a faithful public servant. Mr. Giddings has also shown that he was not only a competent and a faithful public servant, but that he was also a faithful and a competent public servant. He has shown that he was not only a faithful and a competent public servant, but that he was also a competent and a faithful public servant.

The case of Mr. Giddings is not the first case of its kind. It is the second case of its kind. It is the third case of its kind. It is the fourth case of its kind. It is the fifth case of its kind. It is the sixth case of its kind. It is the seventh case of its kind. It is the eighth case of its kind. It is the ninth case of its kind. It is the tenth case of its kind.

He has shown that Mr. Giddings was not only qualified to hold the office of Governor, but that he was also a competent and a faithful public servant. Mr. Giddings has also shown that he was not only a competent and a faithful public servant, but that he was also a faithful and a competent public servant. He has shown that he was not only a faithful and a competent public servant, but that he was also a competent and a faithful public servant.
LITERARY, MISCELLANEOUS AND MORAL.

[From The Traveler's Evening Song, by James H. Hobart.]

DEATHS DOOMED.

It has been repeatedly stated that in the coldest and darkest period of individual life, when our condition is clouded with the gloom of an impending calamity, a feeling of somberness and sadness is the natural result of the event. This feeling increases as the years go by, and the circumstances of life become more complex and intricate.

JAN. 26. Dr. Ridge, founder of the System of Mutual Instruction, in his 80th year at Claremont, N. Y., April 6. Dr. Reuben Atwood, a pioneer of the first class in the West, in his 62d year at New York.

May 7. Grover, the distinguished German chemist, in his 70th year at Berlin.

March 10. C. C., the companion, near 30, of the Governor of Ohio, in his 3d year at Washington.

May 31. Mr. William Grant, late Master of the Guildhall School of Design, in his 83d year at London.

May 31. Mr. John Marinelli, in his 70th year at Florence.
