

Mr. HOUSMAN — What is the explanation of the refusal to accept the new system in Massachusetts? It is said that the new system has been recommended by the American Board.

Mr. BROWN — Why do you say that? It is not the case. The American Board has recommended the old system, and the new system has been recommended by the Massachusetts Legislature.

Mr. HOUSMAN — I beg your pardon. I meant to say that the new system has been recommended by the Massachusetts Legislature.

Mr. BROWN — I do not know what the American Board has or has not recommended. All I know is that the new system has been recommended by the Massachusetts Legislature.

Mr. HOUSMAN — But the American Board has always been the best authority to consult on such matters.

Mr. BROWN — I do not think so. The Massachusetts Legislature has been the best authority to consult on such matters.

Mr. HOUSMAN — But the American Board has been in existence for a long time, and it is only natural to consult its opinions.
