TO THE AMERICAN PUBLIC.

We publish the following article from the New Hampshire Anti-Slavery Emancipation Society, which is to be read with satisfaction by all who have an interest in the cause of freedom.

The Emancipation Society of New Hampshire has recently adopted a resolution recommending the immediate abolition of slavery in all parts of the United States.

Resolved, That the Emancipation Society of New Hampshire, in the spirit of the Declaration of Independence, do hereby declare for a voice in the present generation of men, that freedom is a right to be held sacred by all men everywhere, and to be extended to all without distinction of color, condition, or degree, as the case may be.

Resolved, That the Emancipation Society of New Hampshire shall use all means in its power to further the immediate abolition of slavery in all parts of the United States.

Resolved, That the Emancipation Society of New Hampshire shall not rest content until all slaves are free, and that it shall ever remain as a beacon light to all mankind, showing the path to freedom for all who seek it.

Resolved, That the Emancipation Society of New Hampshire shall ever strive to promote the cause of freedom, and shall never cease to work for the abolition of slavery in all parts of the United States.

Resolved, That the Emancipation Society of New Hampshire shall ever be ready to aid and support all those who shall seek to free their fellow-men from the bonds of slavery.

Resolved, That the Emancipation Society of New Hampshire shall ever remain as a constant reminder of the great work that lies before us, and shall ever strive to promote the cause of freedom, that all men everywhere may be free and equal in the sight of God and man.

Resolved, That the Emancipation Society of New Hampshire shall ever be ready to aid and support all those who shall seek to free their fellow-men from the bonds of slavery, and shall ever strive to promote the cause of freedom, that all men everywhere may be free and equal in the sight of God and man.
