SLAVERY.

"May I congratulate you on your liberating spirit."

INTERESTING FROM BAHAMAS.

There is a belief that Slavery is about to be abolished in the British Colonies. It is not certain that this will happen, but it is hoped that it will. The island of the Bahamas is a large Slavery State, and it is likely that it will be abolished. This is a good example to follow.

JAMAICA.

Return of Rev. Mr. Russell.

We have been informed that the Rev. Mr. Russell, on the 1st of November last, arrived at the British Seaport, on his return from a visit to the British Colonies. He is well known, and his return is welcomed by his friends.

"His arrival is a great event."

CRUELTY TO SLAVES.

The following incident was recently reported to the British authorities: A Negro slave was found in a state of starvation, and it was reported that he had been treated cruelly by his master. The master was arrested, and a severe punishment was inflicted on him.

"It is a great relief to hear that justice is being done."
