POLITICAL PARTIES.

The electoral and political parties of the United States are divided into two main groups: the Republicans and the Democrats. Each party has its own platform and candidates for office. The Republicans believe in a strong federal government, while the Democrats favor states' rights and local control. The two parties have a long history of political competition, with each trying to gain control of the government and shape the direction of the country.

COMUNICATIONS.

TO THE HON. RICHARD H. BIRDS, Mayor of the city of New York.

The question of slavery is a complex and sensitive issue that has been a source of controversy in the United States. Various groups and individuals have taken different positions on the issue, leading to debates and conflicts. The abolitionists, led by figures like Frederick Douglass and Harriet Tubman, worked tirelessly to end slavery and ensure the freedom of African Americans.

SLAVERY.

From the National Freedmen's Relief Association.

Abolitionists such as Frederick Douglass and Harriet Tubman worked to end slavery and ensure the freedom of African Americans. Their efforts led to the passage of the 13th Amendment in 1865, which abolished slavery in the United States. Since then, progress has been made, but inequality and discrimination still exist.

CONCLUSION.

The issue of slavery and its abolition remains a significant part of American history. It has shaped the country's politics, economy, and society, and continues to influence American values and policies today.
SLAVERY IN RELATION TO NEW ENGLAND.

The subject of slavery has been a very prevalent subject of discussion among the people of New England in late years, and has occupied a prominent place in their public and private thoughts. It has been the subject of much controversy, and has excited much excitement and controversy.

Mr. Van Buren.

WASHINGTON, D.C., December 1, 1858.

Mr. Chairman, Mr. Secretary of State, and Members of the Senate and House of Representatives:

I am directed to transmit to you the following resolutions of the Massachusetts Anti-Slavery Convention, which is now in session:

MASSACHUSETTS ANTI-SLAVERY CONVENTION.

Resolved, That we earnestly desire to see the principles of the Constitution of the United States, as interpreted by the Supreme Court, carried into effect.

Respectfully submitted,

[Signature]

MASSACHUSETTS ANTI-SLAVERY SOCIETY.

The Society was organized in Boston, Mass., on the 1st of January, 1833, under the name of the Massachusetts Anti-Slavery Society.

The Society has been in existence for nearly thirty years, and has done much good work in the cause of abolitionism. It has published many tracts and pamphlets, and has conducted a large correspondence. It has also maintained a large library, and has published a large number of tracts and pamphlets.

Respectfully submitted,
