FALLI, daughter of Daniel Neall, of Philadelphis.

TRUSS MANUFACTORY

The fallowing piece of poetry was written, after hearing an uni-shavery address by Wm. W. Brown, of Donfalls, 87.

For this Liberator, and the state of the property of the Liberator.

A SERTCH.

The sprileyers of Nightare looking down.

The sprileyers of Nightare looking down.

The land of lovely kies and orange bowers.

The land of lovely kies and orange bowers, and through the beight green of fae imon green, liberator of the long present of the long of the

With a sad voice the sake pour want die Yes! I must live and die That wretched thing, a wronged and elighted slave Without one hope but that of the lone grave, And you fair holy sky, Which look to me as pure as to the eyes Of those whose haughty souls my wees drapine,

Of those whose haughty souls my woes drapine.

And I must be a slave,
And pine in chains beneath the very sight
Of you sweet amount and holy stars, whose light
To my love eyes the gave
As equally as to the man who waves
Signs of command above a thousand slaves.

As equally as to the man who waves Signs of command above a thousand alwes.

I must pine in alwery's chains,
While the soft wind is faming tow and check,
And it is one wothing voice doth seem to speak.

Offeredom, and the state of the sta

Of him who bends his powers to canlary his kin

It is not wealth I crave,

Nor all the poun and power my master wields
O or mannious fair, and hills, and wide actanded
And lordship o or the slave—
'Tis but for freedom from that master's task—
Oh, God' 'tis but for freedom that I ask'!

Twith but for freedom that I ask 1

I will be Freedom's child.

For the is very with me it my dream,
And rever with me by rock, and hills, and stream
And twee with all things free ind wild.

I will not live a wareheld, hopeless slave,
While there's an arm to strike, or room for one-lost
grave !

grave 1.

The fine proud form of Afric's son was drawn
To its majestic height—his full dark eye
Flashed with indignant fire at all the wrongs

are considered and trampled dare
And his clambed, hand showed torfa me any

glean.—

And, his closelyed, band showed of the use of the plant,—
For dark deepast had roused his soul to deeds
Of durch had been and the soul to deeds
Of durch had been and the soul to deed of the soul had been and the soul to be the soul had been and the soul had been and the soul had been and the soul had been had been and the soul had been had been and to find the soul had been and been main's eye as without the soul had been and the soul had all manking the soul had a white had been a so in spine or oppears.

The darks had wakeled the week, bright vision and the soul had wakeled the week, bright vision and the soul had a s

Were free, with none to injure or oppress. The slave had watched the sweet, bright vision Lighting his weary mind with hopes that bade Him yet live on to see its bright fulfilment: And he he went forth again to his hard task, With an unfaltering soul and patient hope.

From the Harbinger.
