GREAT ANTI-SLAVERY MEETING.

A great meeting of the feends of freedom will be eld in Stilen on Sunday reening. Dec. 6, in the feebasic Hall, to welcome Mr. Garrien on this great meaning the stilenges of the sti

The only excess of diffe for publishing the fol-g cologium in the Libbertze is, that it is the cologium in the Libbertze is, that it is the color of an English working-subs, at whose we it was distributed graintently at an in-menting held in Newcastle-publishing, and ex, which was addressed by Goorge Thompson parts, on the subject of American history. I just add, that such a tiphetic from such assuran-dor earth circumbases, who wave grantfying add, that we such circumstate — Ed. Lib.

feelings.—Ed. Lib.
TO WILLIAM LLOYD GARRISON.
dd, brave Garrison! Liberty is coming!
to thee her champion in England to-night;
hast battled for freedom, for man and E

il thee the friend of the slave, black an

white, herefore, in England, rought, honor the, therefore, in England, rought, honor thee, herefore, in England, rought, have Garrison's angele stoned thee, seared strongle of Right against Might look in his mergy for ever defend thee fore that curround in the midst of the fight, he prayer of thy fliends not to hear thee taight.

rd, brave Garrison! strike at the fetters and God's own image, and there shall be light, which tyrants and slavery, with all their

abelion,
Shall for to the care of the carth with allright,
And mankind will love ther, as we do to-night.
Onward, brave Garriant love is the weepon—
In the end it will conject the loved and is spite.
Though typany sporads its buleraking rearing
with the stores of the choice to a measured
Highly, he was not as we love there to night.
Yet its fall is as sure as we love thee to night.

Then onward, brave Carrison! dry up the tears That have readed the iron that binds the slave tight Let the sound of fair Liberty, each but his ears, And his free wife and children gladden his sight, He will love thee for ever, as we do on eight. J. T. GILMORE.

IT The following effusion is from the pen of se-hearted friend of the anti-slavery cause, wh sides in Wales. It has never been in print b

TO PREDERICK DOUGLASS.
merigo Vespocei well was given
Thy, name to you, vast continent of lies y
he new-found world, whence secred truth is
Where men religion love, and God despise.

Where men religion love, and God despute.

in, beauting Herentine! what hough they manter that the state of the state was the day on which the vessel suited,
Which how the years, chatter nettered our Los how have but and every greated.

In the state of the state

What heatonish have fielded the tyrant's work inceeding his fixed high first hardy after touched the shore, Till, then enhances to their, our Entern climes hancing, age with by name in grey. No other ink will said thy denon, orines. Land of the bended there, the recipied and Land of the threated thene, the recipied and Land of the threated thene, the recipied and Where headeness till the low-born foreman farm, Where mean the weak opposes, and help the extins Where the said the low-born foreman farm, Where the said the low-born foreign and the part of the said that the said the said the said the said that the said that the said that the sa

rice happy those, whom Spain's remorseler consigned to death, to cold oblivion's powe-blest, thrice blest, that slain, that countless Who rest forgotten, like yon withering flow

Who rest forgotten, may you make race is heir to all your wors. A race transpired from their native soil, one through which no stream of kindness. To cheer the pathway of usocsating toil. No, what is day was that for Arlie's race, when Basin sent out the results Genome. When Basin sent out the results Genome. To lands encircled by the Western seas?

Spain plants the crop, but plants it deep in cought fills her bosom but the love of gain—
"Tis sordid gold she seeks, not India's good.

Saptized, and ground to death, the Indian lies, His name forgotten, and his race destroyed His people gone, another race supplies The broken ranks, fills up the deadly void.

age after age has slowly rolled away,
O'ercharged with Afric's groans and hitter
fer sons the constant, unprotected prey
Of one whose galling yoke in wee she bears.

ise, Afric, rise I oh, break the tyrnt's band ! Each generous voice will cheer thee to thy tand ap creat—the craven ne'er will stand Before thine arm in Nature's rightful fight.

ovollass, we welcome thee to England's shi A brother-freeman, once a tyrant's thrall; he planter's chain shall shackle thee no mo Thy frame ne'er tremble at the driver's call

Thy frame as 'er trembe at the diverte call, Dy tagget, thine arm, by foot, by twoir, a fram-Free as the air, the light, the mountain stream; These welcome to this lead of thiery. WORDS OF CHEER.
AT RRS. 2. 3. THORAL,
Be firm and be faithful,
Deset not the right,
The brave become bolder
The darker the night!
Then up and be doing:
Though cowards may full,
Thy duty priving,
Date all and prevail!

If scorn be thy portion,
If hatred and lose,
If stripes and if prison,
Remember the cross
God watches above thee
And he will requite;
Desert those that love
But hever the right!

HUMILITY.

wideling by the work of the control of the control

We have had the best opportunities for becoming equainted with all valuable improvements that the cities of New York, Philadelphia and Boston could fifted, in Surgical and McAnnical Dentistry; viz. Regulating and assisting the growth of children's

eeth. Cleanising the teeth from injurious substances and catoring discused gums to a healthy state. Extracting with univalled case and skill such creets as cannot be saved, and infallibly relieving the contache without extracting, when the discussed reth as cannot be saved, the measurement of the diseased on the can be preserved.

Fitting sets, or parts of sets, in the very bear maner, with, or without carried work, as may be best under the circumstances.

Firtuse Scotion Playes, as well as any body.

Pitting teeth wirm rivers by a method that is a Fitting teeth wirm rivers by a method that is a taxt importance and will make them taxt longer than any other mode— Terms as reasonable as any in the city. Office, 16 Summer Street. D. S. GRANDIN.
