SEND BACK THE MONEY! . We are verily guilty concerning our brother

O Scotland i my country, what plague-spots are those On the walls of thy temples-dark, fool as the grave?

grave?

And what neems that cry of derision, which grows
Like a gathering storn? To the blood of the
slave!

Are freedom and bondage so closely allied,
That the name of the one is the name of the other?

And what have we done that the people deried,
And say, we are guilty concerning our brother?

And my, we are with rights, our nation, our name, And point to our Zion as faulties and frest solt sky, does the voice of our actions proclaim. That our ancestors worthy descendants are we?—Ay, say if the glory of Seeding alone. For the shame of her priests who went eager is

From the Boston Star. STANZAS

Written on the blank leaf of Daniel P. King's Speech
against Stavery and War.

Brave man, good man, true man, go boldly on;
Sustain our country's honor and her laws;
For her good service hast thou nobly done,
And won the meed of well-deserved applause.

Millions of hearts are with thee in the fight
Which thou art waging with dark slavery's be
Contend for truth, for freedom, and for right,
And peace again may bless Columbia's land!

Hearts such as thine are wenting at this hour,
The flood of dark ambition's tide to stay;
When last of fame, of conquest, and of power,
Have led so many erring minds astray.

The friend tagger at weartime friends and the sport of selfah things;

That we should be the sport of selfah things;

The fault, despited, is not now stars,

But in sometives that we are underlings.

Of the coming of that plorious times,

By anient beigh in prophery forecold,

When men of peace, condowed with views sublines,

Benignant rule our happy resinas shall bold.

LEYN BARD.

From the Journal of Commerce

IRELANDE APPEAL.

IN HALL IN HOUSER,
Pale Ein toward her nochy strand.
In fanuic anguish press,
And absileased relis, implicing pain.
Burst from her lakoning breest.
Her children in their viger Pill.
To secret shalls a pray.
And mart'd by finnine's plagues-spet dire.
In fearful numbers by.

For all around her mournful realm
The smitten harvest spread,
While sad the furrow'd church-yard told
The planting of the dead.

While I glorium Ration of the Westly-Wake to hy district was, Wake to hip district was, Her careach hands to this war spready-Thy liberal allo bettors.

Bid thy rish harvests had the wave, United companion attent, And with the surplus of thy wealth Her midery respects, and

laste !-pluch the poison darrow fort.
That rankles in her breast,and win the blessing of the skies,
Oh, fair and fruitful West.

## REFORMATORY.

PROVIDENCE, March 15, 1847.

The Gammer. There is a second of the control of the

the national character of our beated hierarchy close as the control of the contro chorasan fleibleimer state in plants—age nave quar-ed since the Sam of the mean that plants—age nave par-ed since the Sam of the mean that plants burst of the plants of the state of the plants of mirry. Is it not time for the few, who have received the truth, to some up to the work of salvation the in-mitted of the plants of the plants of the plants of the time the present of the plants of the plants of the callence enough in the principles of peter, to nave the world. There is levently, and strength as after callence enough the plants of the plants of the man area. The plants of the plants of the plants of the man area the pared by the plants of the Man most be avered by them, or forever wander in

I am sorry that more who sympathise with Non-Resistance were not present, but our meetings were so large as any (and more nunerous than many) anticipated. Better days are coming; may God in mercy speed them!
