WOMEN'S RIGHT'S CONVENTION.

This miseting sulpurned fluidly has vening, after a session of two days. The attendance was face a session of two days. The attendance was character. The proceedings were of an intereding nature. On the first day, the 'Jords of creation were excluded, and we can only speak of the excellents of the convenience of the more important business of the convenience—the meaning and consulting as to the resolution which should be proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed. On the exeming of the first day the proposed of the exemination of the control of the c

caired any report of the proceedings in the even-ing. This convention was novel in its character, and the dectrines brocked in it are startling to those who are wedded to the present usages and laws of society. The resolutions are not the kind celled ndical. Some of the speeches were very albe-ndical. Some anaked by great order and decorror. The following is the Declaration of Sentiments made at the Women's Rights Convention, held in this place on the 10th and 20th in the

DECLARATION OF SENTIMENTS.

injuries and usurpations on the past ward woman, having in direct object the establishment of an absolute tyranny over her. To provide the left and submitted to a candid world.

He has never permitted her to exercise her inslemable right to the elective franchise.

He has compelled her to submit to laws in the
