By a color or a creed:

How where or a stricken bondima.

Life his face unto the skies.

With a longing the vision lies,

les a fract of the less than the less affects or flooletts.

We a brother recognise.

Are we house? are we tree?

All severed free and exact of the less affects or less than the less affects of the less a

Shall our actions be a libel
On the prompting of the hea
Shall our lands inseribe the deWhile our eyes with pity star
Booner may each noble feeling
Of humanity depart.

We may bow before a party,
We may hog the service chain,
But we cannot curb the free thought
Fiercely struggling in the brain,
And the burning indignation
Which is throbbing in the rein.

Which is unobling in the rein.

There are times we may be slight,
For a moment we may hash
The free thought which seeks exper
Lest too blindly it may ran;
And the raing of the feelings
Oft 'tis policy to crush.

Off its pointy fear impels it.

But a sense of need and right,
As the sun withholds his glory
From the shadows of the night,
And the tender-visioned infant
Cannot bear too strong a light.

But the strong and entrest purpose Sleeping silent in the soul, But awaits the tempest's bidding, Like a swrging sea to roll— For the lightning of its power To flash on from pole to pole. To flash on from pole to pole.
Courage, brothers, then, for freedom,
Who with tirelese vigil plod,
Though ye struggle with a hydra,
With the red rack, and the rod,
Keep it blazing in your bosoms—
There is justice yet with God.
