BY JORN 0. WHITTIER. tuench every free discussion light Clap on the legislative snuffers, and caulk with 'resolutions' tigl nuners, ms' tigh

And easily with 'resolutions' tight The phasty rests the Vinion suffers I Jet Church and State brand Abolision As herersy and rank sedition. Choke down, at once, each breathing thing That whispers of the Tights for Man; Gag the free girl who dares to sing Of freedom of the rh dish pan; Dog the old farmer's steps about, And hant his their sherished treasen out.

Do more. Fill up your loathsome jails With faithful men and women-set The scaffold up in these green vales, And let the vordant turf be wet With blood of unresisting men-Ay, do all this, and more,--wHAT THEN

Think ye, one heart of man or child Will falter from its lofty faith, At the mob's tunuit, flerce and wild— The prison-cell—the shameful death ? Nol-mursed in storm and trial long. The weakest of our band is strong.

The weaker of our own is stong. Oh I while before us visions come Of aire ships on Virginia's coast-Of mothers in their childless home, Like Rachel, sorrowing o'er the lost-The slave-gang scourged upon its way-The blood-hound and his human prey-

The blood-hound and his numan prey-We cannot falter! Did we so, The stones beneath would murmur out, And all the winds that round us blow Would whisper of our shame about. No! I let the tempest rock the land, Our faith shall live-our truth shall stan Our rain sum inve-our chain sum sum True as the Vaudois hemmed around With Papal fire and Roman steel-Firm as the Christian heroine bound Upon Domitian's torturing wheel, We 'bate no breath-we curb no though Come what may come, we raires not !

THE UNION - TO THE SOUTH

BY JOHN O. WHITTHE. Vainly shall your sand-wrought rope Bind the starry cluster up, Shattered over heaven's blue cope ! Give us bright though broken rays, Rather than eternal haze, Clouding o'er the full-orbed blaze. Take your slavery-blackened vales Leave us but our own free gales, Blowing on our thousand sails. With your bondman's right arm bare With his heart of black despair, Stand alone, if stand ye dare ! And when vengeance clouds your skies Hither shall ye turn your eyes, As the lost on Paradise !

SLAVERY IN THE CAPITAL. BY JOIN G. WRITTEL Still round our country's proudest hall The trade in human fish is driven, And at each carriess hammer-fall A human heart is riven !

And this, too, sanctioned by the men, Yested with power to shield the right, And throw each vile and robber den Wide open to the light.

Wike open to the light. Yes, shame upon them !--there they sith Men of the North, subdoed and sill; Meek, pliant poliroons, only fit To work a master's will. Sold-bargained off for Southern votes-A passive herd of Northern mules, Just braying through their purchased th Whate et their owner rules.

TO MASSACHUBETTS.

TO MARSAGUIUSIZT BY WITTER Still let the land be shaken By a summons of hine own! By all are terth forsker, Why, stald with that shoel Shriak not from strife unequal ! With the best is always hope; And ever, in the seque, God holds the right side up !

The Liberator.

arden Europe, and ble and exempla s. The stori-stion

The New York City Democracy had a stormy meet-ing at Tammany Hall on Saturday night. The meet-ing was intended to comprehend only those who were the storm the storm of the storm of the storm of the change of the store not included in the call, were hemona string of resolutions was passed, of which immeas a string of resolutions was passed, of which

the following is a speciment - passecu, of which Resolved, That the Constitution of California is re-publican in its form. It is a deliberate and proper exercise of the right of self-government by her cit-isens, and the duity of Congress is impersive to admit her as one of the States of the confederacy.

her as one of the States of the conservences. The meeting agreed to support the present uni organization of the Democratic party of the city, a although 'groans' for the Wilmot provise and Marth 'Ara Durra were freely given, it appears the Bourth war burra were receively given, it appears the the Southern affiliators were entirely overthrown.

ANOTHER FLUNKEY. The editor of the United States Law Magazine (John Livingston) recently put forth an Address to his patrons. In the copies sen-to the South, the following paragraph was insert ed :--

'It may, perhaps, be as well here to state, that nust decline publishing any article discussing the

must decline publishing any article discussing the sub-ject of alavery. While the constitutional, rights of the South appear too plain to require demonstration, we hold that the exposition of an opposite doctrine would be not only contrary to our duty, but a pub-lie danger and a public wrong."

In the address for the North, this sentence is omit ted. Indeed, it was by accident only that the fac disclosed above was discovered ! Is not this infa mona conduct ?

Gonzr's Lanr's Boox (Feb.) puts back Grace Greenwood's name as an Editor. Grace declares she will not stay put, as appears by the following Card, which we find in the Pittaburgh Dispatch-

Card, which we find in the Pithabergh Dispatch. A Carn. As Mr. L. A. Godoy, in the Palvaray number of his magrain, has again published my name as that of an Eliton-restored it in the Generation which he removed it in January--1 beg leaves to state to my Western fictured, has this restoration has been made without my concurrence or knowledge.
