## THE FUGITIVE DANIEL

Beveral of our contemporaries have fallen into an error as to Judge Conkling's decision on the return of the writ of *habeta corpus*, in the case of the fugi-tive slave Daniel, at Buffalo. Judge Conkling does not decide that the Fugitre Law is inoperative in a case where the slave scenario to far due passed, but that to be taken ar parte in ta. to be taken ar parte in ta. escopes, and used as evidence are only applicable to such cases since the passage of the Act, pas-the other works, ho decides the "a other works, but decides the "a suber works, but decides the "a suber made bef" to the famile bef" a the famile b inoperative in a the law was

er or Judge In the cas Commission from which D back ; but of habe of *habeas corpus*, contrasts the words 'has herefolore or shall bereafter escape,' (which are used in the first part of the Act,) with the words 's shall escape,' used in the 10th section, and decides that the 10th section is prespective. It will be readily seen that the destine here were an ended.
