From the Cincinnati Enquirer.

GREEK CIVILIZATION DEPRECATED.

The Athenian civilization had a great deal more to boast of than the Roman, and it is to that point that the former should be regarded as the most admirable.

The Greek civilization was a fine one, but it was not as fine as the Roman.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.

The Athenian civilization was a finer one than the Roman, but it was a more refined one.

The Roman civilization was a coarser one than the Greek, but it was a more sturdy one.
