Our Country is the Whole, our Countrymen are all Man.}{

BOSTON, FRIDAY, FEBRUARY 11, 1853.

WHOLE NUMBER 1151.

In the midst of joy and sorrow, in the presence of God, our Father, let us remember that we are all brothers and sisters. Let us be kind to one another, and let us love our neighbor as ourselves.

In a word, let us be true to our principles, and let us be true to our country. Let us be true to our Church, and let us be true to our God.

And so, let us go forward, with courage and confidence, and let us look to the future with hope and with prayer.
