THE BISHOP OF WOMAN.

A new monthly periodical has been commenced in Boston by the Right Rev. John Manton, D.D., D.C.L., B.D., LL.D., Bishop of the Protestant Episcopal Church in Massachusetts, under the title of "The Bishop of Woman." The object of this periodical is to promote the elevation of the sex, and to establish an equitable, without any preference, and justice in all matters relating to the rights and privileges of the two sexes. The Bishop of Woman is the first American periodical devoted exclusively to the subject, and is designed to be a powerful advocate for the rights of women, and to promote the interest of the sex in all respects. The periodical will contain articles on various topics relating to the rights and privileges of women, as well as on other subjects of general interest. It is expected that the periodical will be an important and useful publication, and will contribute materially to the advancement of the cause of women.
