BAD LIVING AT THE UNIVERSITY. A Sketch of the Condition of our Institutions of Learning.

The condition of the University of California is now such as to require the attention of the public. The results of the last term show that the institution is not only in a state of disorganization, but that the students are in a state of insubordination.

The students have been in a state of insubordination for some time, and the authorities have been unable to control them. The result is that the institution is in a state of disorganization.
