THE LIBERATOR.

Our Country is the World, our Countreys are all Menzland.

BOSTON, FRIDAY, FEBRUARY 15, 1856.

WHOLE NUMBER 1328.

KANSAS.

We were never more deeply interested in any event than we are in the present affair. The Kansas controversy is one of the most important questions that has ever agitated the country. The situation is one of the most critical that the government has ever been called upon to meet. The issue is one of the most vital that the people have ever been called upon to decide. The question is one of the most urgent that the legislature has ever been called upon to consider.

We are, therefore, deeply interested in the result of the present affair. We are, therefore, deeply interested in the result of the present affair. We are, therefore, deeply interested in the result of the present affair. We are, therefore, deeply interested in the result of the present affair.
THE LIBERATOR.

POETRY.

THE RETREAT.

By James Russell Lowell.

A Newton, Mass., Jan. 10, 1865.

The news,—dark news,—
Of the retreat of the army,
Of the heart of the war,—
Quick as light, noiseless,
Passed over the land in a moment,
As a silent breath.

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

Oh! what vows hast thou made
In the hour of the hour?
Oh! what vows hast thou made
In the hour of the hour?
Nay, but what vows hast thou made
What vows hast thou made?

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

Oh! what vows hast thou made
In the hour of the hour?
Oh! what vows hast thou made
In the hour of the hour?
Nay, but what vows hast thou made
What vows hast thou made?

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

Oh! what vows hast thou made
In the hour of the hour?
Oh! what vows hast thou made
In the hour of the hour?
Nay, but what vows hast thou made
What vows hast thou made?

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

Oh! what vows hast thou made
In the hour of the hour?
Oh! what vows hast thou made
In the hour of the hour?
Nay, but what vows hast thou made
What vows hast thou made?

The retreat, the end of the war,
The end of the war.
Seemeth not the end of the war—
Seemeth not the end of the war?
Nay, but the end of the war,
The end of the war.

The retreat, the end of the war,
The end of the war.
