LATTER FROM MISS FRANCES D. DAVIS.

From Hampshire:

I am anxious to learn of the earliest steps to be taken to raise a fund for the purpose of aiding the Tribune of the People. I wish to make the statement that I have no personal interest in the fund, but I am anxious to help forward the movement. I have been a subscriber to the Tribune for many years and I believe that it is doing a great work for the emancipation of the negro. I wish to express my hope that the fund will be successful and that it will help to advance the cause of freedom.
