The Liberator.

The Fellowship of White Slaves Correspondence with a Christian.

The Liberator.

We print this curious and important correspondence, connected with the question of the emancipation of the American slave, from a gentleman in the Southern States, written to a gentleman in England. It is, we trust, the first step towards the abolition of the great American wrong, and we hope its publication will be the means of forwarding the cause of the oppressed in that country. We have been requested to publish this correspondence in the Liberator, and we are happy to comply with the request. We trust that it will do good to the cause of the slave in America, and that it will encourage others to take up the question in a more vigorous manner.

THE FELLOWSHIP OF WHITE SLAVES.

The gentleman to whom we addressed this letter, is a gentleman of education and refinement, and he has long been a friend of the cause of the slave in America. We trust that it will do good to the cause of the slave in America, and that it will encourage others to take up the question in a more vigorous manner.
