THE LIBERATOR.

APRIL 4.

CENNY VIGILANCE OF THE AMERICANS.

To the President: Standing firm, the northerners of the United States who are willing to submit to slavery, are appealing to their fellow-countrymen, at the South, to join in a common cause. They have secured the support of the Southern states, which will enable them to defeat the designs of the enemy. The northerners have been promised the support of the South, and are determined to carry out their plans. The northerners have secured the support of the South, and are determined to carry out their plans. The northerners have secured the support of the South, and are determined to carry out their plans.

LIFE FUGITIVES AT WASHINGTON.

For the last week, the Executive has received several petitions from the South, praying for the return of fugitives from slavery. The President has directed that the petitions be referred to the Department of Justice. The President has directed that the petitions be referred to the Department of Justice. The President has directed that the petitions be referred to the Department of Justice.

SHERMAN McCALLUM.

Some of these persons who have been accused of the crime of treason, have been liberated by the Executive. The President has directed that the persons be referred to the Department of Justice. The President has directed that the persons be referred to the Department of Justice. The President has directed that the persons be referred to the Department of Justice.

Obituary.

The following is an account of the death of Captain John Brown, which took place at his residence in Brownsville, on the 26th of March, 1865.

The burial was attended by many of the citizens of the city, who payed their last respects to the deceased. The body was placed in a casket, and taken to the cemetery, where it was interred in the presence of many of the citizens of the city.
