THE RECONSTITUTION OF THE LIBERAL PARTY.

The statement that the Liberal Party is dead, is not true. It is true that the Liberal Party is not the same as it was, and that some of its old leaders have fallen away. But there are many who remain, and there are many new leaders who have arisen. The Liberal Party is stronger than ever, and it will be heard from again.

LETTER FROM NEW YORK.

My dear Sir,

I received your letter yesterday, and I am glad to hear that you are doing well. I hope that you will soon be able to return to your family.

I have been thinking about the recent elections, and I am convinced that the Liberal Party will make a good showing in the next election. There is a great deal of discontent with the present government, and I believe that the people will be ready to vote for a new administration.

Your truly,
